All applicants will be charged a graduation fee of $100. This is a one-time fee and will not be charged again if you have to reapply for the same degree. The fee is charged through the Office of Student Accounts; do not submit payment with this application. You will also be charged an additional $35 late processing fee if you submit your application to your school after the posted deadlines. Participation in the annual commencement ceremony held in May is open to students who have applied to graduate in the current spring semester or who graduated in the preceding fall semester or summer session. Doctoral candidates who have not successfully defended their dissertations may not participate in either the May commencement or hooding ceremony. For any details about the Commencement Ceremony on the Ellipse please call University Events. Each individual School handles the details of their specific ceremonies. Please direct any questions accordingly.

**WALK THROUGH POLICY** - With the exception of doctoral candidates and only if there is a reasonable expectation that they will be able to obtain the needed academic credit hours during the following summer, all students, graduate or undergraduate, who need no more than 9 credit hours to complete their degree requirements may participate in the May Commencement Ceremony. The maximum of 9 credit hours is not subject to petition. Summer applicants who have 9 or fewer credit hours to complete and who wish to attend the preceding May ceremony must apply no later than February 1 and indicate their preference to “walk through” in the appropriate section on their graduation application.

**DEGREE REQUIREMENTS** - To be recommended by the faculty for graduation, a student must meet all degree requirements, as outlined in the University Bulletin, and file an application for graduation by the published deadlines. Enrollment is required for the semester or summer session of which your degree is to be conferred. All degree requirements must be completed by the last day of final examinations for that semester or summer session.

**DIPLOMA MAILING INFORMATION** - Diplomas are mailed 8 - 12 weeks following the date of degree conferral, except for any unforeseen circumstances. Your School is responsible for clearing you for graduation. Once the Office of the Registrar receives your clearance form, your degree will be awarded and your diploma will be ordered.

Diplomas will be mailed to the Diploma Address in our records. You will be responsible for entering this address via the GWeb information system and for making any updates should they be necessary. Instructions are included on the Application for Graduation. You must enter this address BEFORE you submit your application.

If you have not received your diploma 8 - 12 weeks after your graduation date, check your online transcript to see if your degree was conferred. If conferred, you need to report not receiving your diploma to the Registrar’s Graduation Services Department within 6 months. After that time period, you will be charged for a replacement diploma. You should also check to see if you have any financial holds on your account. A diploma will only be sent if the amount of your balance is less than $500. If your degree was not conferred, check with the Dean’s Office of your school.

**ACADEMIC REGALIA** - Caps and gowns are ordered through the GW Bookstore. The Bookstore will mail you information 6 – 8 weeks prior to the ceremony.

**COMMEMORATIVE BRICK** - As part of the commencement activities, the University provides a Commemorative Graduation Brick for each graduate to be placed in the University Brick Walk. However, if you prefer, a commemorative bookplate can be placed in one of the books in the Gelman Library’s permanent collection. Each bookplate will bear your name, degree earned, and graduation date. If you would like to choose the Commemorative Book option, please contact the Gelman Library Administration located in Room 201 of the Gelman Library, or call (202) 994-6455.
Please indicate the semester and year in which you intend to complete all requirements for graduation:
